## EXPORT TRADE CONTROL

New Delhi, the 5th January, 1967

No. 1-ETC(PN)/67.—In exercise of the powers conferred by Sections 3(1) and 4(1) of the Exports (Control) Order, 1962, published with the Order of the Government of India in the Ministry of Commerce S.No. 3126 dated the 10th October, 1962, as amended from time to time, the Customs Officers as mentioned in Schedule II of Exports (Control) Order, 1962, are hereby authorised to receive the applications and pass the shipping bills in respect of the following items for the purpose of export:

- (i) Iron Ore, except the Iron Ore of Goan origin from Goa;
- (ii) Manganese Ore;
- (iii) Bauxite;
- (iv) Ferro-manganese/Ferro-manganese Slag.”

2. In view of the above, it has been decided that shipping bills for export of the above mentioned canalised items, instead of first being presented to the Import and Export Control authorities for necessary endorsement, should be submitted by the Minerals and Metals Trading Corporation direct to the Customs for being passed.

3. Similarly, the shipping bills should be presented by M/s. Manganese Ore (India) Ltd. direct to the Customs for getting them passed in respect of Ores produced by them [or acquired by M/s. Manganese Ore (India) Ltd. in the course of its normal business operations for which M/s. Manganese Ore (India) Ltd. can arrange sales to consumers abroad].

4. The above decision will not apply to export of Iron Ore of Goan origin from Goa, in which case the shipping bills will continue to be first passed by the Deputy Chief Controller of Imports & Exports, Goa, before these are presented to the Customs authorities according to the existing procedure.

5. The above decision will come into force with effect from the 16th January 1967.

[Issued from file No. 5(7)/66-E.II.]

P. D. KASBEKAR,  
Chief Controller of Imports and Exports.
